I request your permission for video and/or photographic images of your child to be taken during kindergarten activities. They would be used for the purpose of educating children, promoting the kindergarten or promoting public education. I am also seeking your permission for the kindergarten to publish images and/or samples of your child’s work.

If you give your permission, the kindergarten may publish images of your child and/or samples of work done by your child in a variety of ways, such as online and hard copy kindergarten newsletters, Department of Education and Children’s Services (DECS) Internet or intranet websites, kindergarten annual reports, and local newspapers. If published, people outside the kindergarten community would also be able to view the videos, photographs and/or other images.

If you sign the attached form it means that you agree to the following:

• Barbara Kiker Memorial Kindergarten is able to publish images of your child and samples of your child’s work as many times as it requires in the ways mentioned above.
• Your child’s image may be reproduced either in colour or in black and white.
• Barbara Kiker Memorial Kindergarten will not use your child’s image or samples of your child’s work for any purpose other than for the education of children or for the general promotion of public education and kindergarten.
• Barbara Kiker Memorial Kindergarten will publish only the first given name of the child. Family names will not be revealed.

Any images captured by the kindergarten will be kept for no longer than is necessary for the above-mentioned purposes and will be stored and disposed of securely. Whilst every effort will be made to protect the identity of your child, DECS cannot guarantee that your child will not be able to be identified from the image or work.

If you agree to permit Barbara Kiker Memorial Kindergarten to capture images of your child, and to publish images of your child, or samples of your child’s work, in the manner detailed above, please complete the consent form below and return it to the kindergarten.

If you agree to permit the kindergarten to capture images of your child and such an image is used on the kindergarten website, you can request the removal of the specific image at any time.

This consent, if signed, will remain effective until such time as you advise the kindergarten otherwise.
